TOPCon Bifacial Module with Dual Glass

GK-2-66HTBD | Half-cut | 132cells

15 Years Product Warranty

30 **30 Years** Linear Power Warranty

to 22.5% based on
OPCon technology

egradation

ceptible to LID, LeTID and less
ual degradation due to special
aracteristics of N-Type

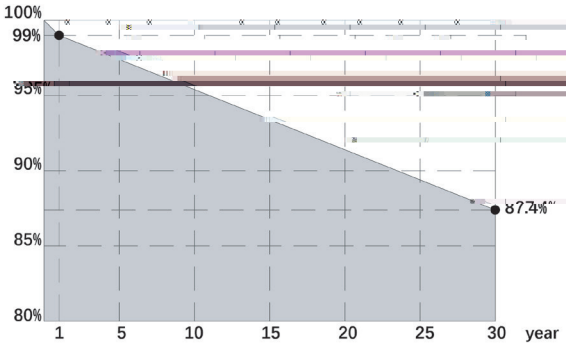

Excellent Energy Yield

More power output in field operation due to better thermal behaviors, weak-light performance and bifaciality

Quality Guarantee

High module quality ensures long-term reliability

Linear Performance Warranty

CERTIFIED INMETRO
